Dear Colleagues:

Our members have a proud tradition of supporting the State Employees Federated Appeal (SEFA). This year, our unions have the opportunity again to donate through SEFA to meet the needs of our members, their families and the communities in which they live.

This year, with the economy in crisis, the cost of living increasing dramatically, and jobs being lost at an alarming rate, the importance of helping those in need is greater than ever. By making your donation you can make a difference in someone's life or in someone's neighborhood. One by one, these changes build our social network, and will help change our state and country for the better. Our support of the SEFA campaign is one more way to show that state employees not only do the job better, but are willing to meet the challenge of changing lives and neighborhoods.

If you have never donated through SEFA, please consider a gift this year. If you are a SEFA donor, thank you and please consider increasing your gift by a dollar or two per pay period. Also, please step forward to be a SEFA volunteer to help make this the best SEFA campaign ever.
